Class 6
Mr. Moss

Class Assembly

Class 6
Friday 9th November
at 10:15am

Snack money this
term will be £4.00
in total or 50p a

Colour, shape and pattern

*This half term we will be learning about
2D and 3D shapes.*

*We will be experimenting with colours
and patterns. How we can we can make
and change them.*

*We will be looking at patterns in nature.
Can you see patterns around you?*

We will learn about Guy Fawkes and bonfire night. We will do lots of art work for bonfires and fireworks. We will talk about the danger of fire and fireworks.

Half term news letter

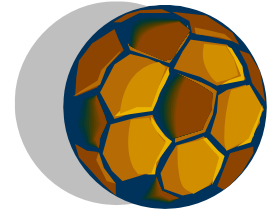

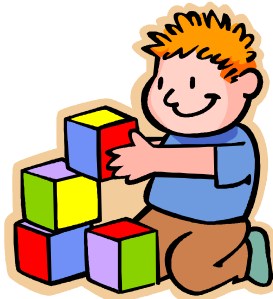

Colour, shape and pattern

We will be mixing colours using paint to see how to make different colours. We will experiment with different types of paint too.

Building with different shapes

We will be building models with different 3D shapes. We will see which shapes build into towers, which shapes will roll and discover more about each shape we use.

We will be doing football with some of the players from Huddersfield town on Wednesdays. So please remember to send PE bags and **trainers** on **Wednesdays**.

CHRISTMAS — We will be hearing and writing the story of Christmas and acting out our annual Nativity play. We will be doing lots of Christmas craft and enjoying the festivity of this season without forgetting the real meaning of Christmas The birth of Jesus

We will be working on using all the sounds we have learnt to build, read and write words. When we write we have a rule that says all letters and numbers start at the top. There are only 2 exceptions and they are d and e. Most letters and numbers are formed with a single pencil stroke too. Try to encourage your child to form the letters and numbers correctly. Thanks
